Amazon Web Services

AWS currently offers over 180 [different service types](#). With many of the services listed as Abbreviations of their full-service name, it is hard to keep track of every service.

Personally I often find short quizzes a great way to learn. They are something you can do relatively quickly at the time of day where your brain is most active. For me, this is typically first thing in the morning over a coffee. However, last thing at night can also be a good time.
